FIRE CHIEF'S REPORT

Seabrook, N. H., February 1, 1932

To the Board of Selectmen,
Gentlemen:

I hereby submit my report for the year ending,

8-2-31—Folly Mill, stump land, $\frac{1}{2}$ acre; time, 3 p. m.; cause, set by blueberry pickers.

8-22-31—Rocks road, barn owned by A. Miller; time, 12:00 noon; cause, unknown.

11-9-31—Woodland, back of house of Frank Chase; time, 2:00 p. m.; cause, sparks from 1:30 fire.

11-10-31—New Zealand road, grass and brush; time, 11:10 p. m.; cause, sparks from brush fire.

1-31-32—Fogg's Corner, house owned by Ira Chase; time, 11:00 a. m.; cause, chimney fire.

Permits issued to kindle fires, 5.

Permits issued to remove gasoline pumps, 1.

On October 24th, 1931 was called out to search for missing man.

You will notice in the report of fires two calls for assistance out of town, one at Salisbury and one at Hampton Falls. The Town of Salisbury expressed their appreciation and will assist us at any time, free of charge and also the Town of Hampton Falls expressed their appreciation and paid for the services of the truck and men and also requested that we would assist them at other times when needed.

I would also like to impress upon the citizens of the town the advisability of obtaining permits to kindle fires as one is liable for any damage caused by fires kindled without a permit.

I would recommend that rubber coats be purchased for the firemen, also that if possible I recommend that the town purchase another piece of fire apparatus so that one may be placed in each end of the town, that the town may be better protected.

In closing I wish to thank the Board of Selectmen, the members of the Fire Department and all others who have assisted us in our work in the past year. I feel that good work has been accomplished and hope that better work may be accomplished in the coming season.

Respectfully yours,

GEORGE A. WEARE,

Chief of Fire Department
